

St John's RC Academy

Class PIH

Context for Learning In the Garden

We are learning to...

Term 4
April-June

Literacy & English

Listening & Talking

- Listen or watch for useful or interesting information and I use this to make choices or learn new things.

Reading

- Use signs, books or other texts to find useful or interesting information and I use this to plan, make choices or learn new things.
- Use our phonetic knowledge and tricky words to help us read with fluency.

Writing

- Use our phonetic knowledge to help us write new words.
- Group words together to create sentences.
- Recognise or use capital letters and full stops in our writing

Numeracy & Mathematics (with Technologies)

Angles, symmetry and transformation

- Create symmetrical patterns and pictures.
- Give simple directions, describing the positions of objects.
- Use computer software and programmable toys such as The Bee-Bot

Time

- Read o'clock times on analogue and digital clocks.
- Match times with routines of the day.

Information Handling

- Organise information by grouping, matching or sorting.
- Collect information by conducting a simple survey or tally marks

Fractions, decimals and percentages

- Use language related to sharing e.g. share, half, equal, bit, part
- Split objects, groups of items into smaller pieces/sets for the purpose of sharing equally.

Number

- Consolidate and develop knowledge and understanding of order and counting using numbers within 100.
- Add and subtract.

RE

- Mary is the Mother of Jesus and our Mother.
- We are unique and have been given gifts from God.
- About God's love for me and His call for me to be close to Him.
- To respond to stories that reflect the Christian values of friendship, caring and love.

Skills

- Talk about our learning and say what we are good at and what we would like to get better at.
- Work with others in a group.

Social Subjects

Explore and appreciate the wonder of nature and how to care for the environment.

RRS

Article 29: Your education should help you use and develop you talents and abilities. It should also help you learn to live peacefully, protect the environment and respect other people.

Health & Wellbeing

- Understand the skills of positive friendships.
- Understand the people in our lives who look after us.
- Recognise everyone is unique and special.
- Assess risks to keep myself and others safe.
- Demonstrate knowledge of safe travel.
- Play outdoor games in a group setting.
- Keep safe when playing sport.

Sciences

Grow plants, name their basic parts and describe how they grow.

Other Information

As the weather improves more PE will take place outside so tracksuit bottoms and possibly a pair of trainers (these could stay in school bags so could return home each evening) are a useful addition to your child's PE kit this term. Health week is being celebrated in school on the 4th-6th of May. P1 & 2 Sports day is 4th of May (more information to follow). End of term 1st of July, school closes at 12noon.
