

Our overall aims for this Topic are: To tidy up the Nursery garden as litter blows into to this area from the local environment

Action	Who's in charge?	When will it be done by? (if ongoing, when did it start?)	How can we monitor it?	How will we know when we're successful?	How much will it cost?	Did it work? Any ideas for the future?
We need a litter bin in the Nursery outside area to put litter and other rubbish in.	SM to email MITIE	Emailed November 2015 and bin arrived April 2016	Have regular litter picks and measure the waste	We will have a tidy outside area with no litter. The children enjoy singing 'Don't Drop Litter' song	N/A	Yes it has worked .The children ask for the litter grabbers when they see rubbish blowing around the garden and also remind each other to put litter in the bin
