Dear Parent/Carer

Please find attached your child's S1 most recent 'ratings' report. This report by class teachers provides you with a brief summary on how your child is progressing and is specifically related to their approach and progress. Within this report staff have commented on the three areas as described below:

- Effort - To what extent your child is attending online classes and engaging with the lessons/work set in class time
- Behaviour - How well your child is interacting with online/remote learning within the lesson and with others
- Homework - The standard of work completed in the lesson and any assignments set and returning these on time.

The next full report will be uploaded to the ParentsPortal on Wednesday 11 May 2022 in accordance with our reporting calendar.

I also attach a link to access the course descriptors that accompany course choice for all year groups [www.st-johnsacademy.org.uk/course-choice-documents](http://www.st-johnsacademy.org.uk/course-choice-documents) to assist you and your child planning ahead for their educational journey through St John's Academy.

As always, thank you for your continuing support and if you have any comments or concerns, please contact your child's guidance teacher to discuss these and/or arrange an appointment.

Yours faithfully

Dr RG Staines  
Depute Headteacher
