Dear Parents/Carers

End of Term Arrangements

Nursery will close for the Easter holidays on **Friday 1 April** at our usual time for term time pupils. Our 45-week term pupil holidays will begin **Monday 11 April** and reopen **Monday 18 April**. We hope that you and your family have a restful Easter holiday and we look forward to welcoming all our pupils back on **Tuesday 19 April**.

Below you will find several updates regarding our return for the summer term.

COVID-19

On return to school there will be a few changes regarding COVID-19. These are detailed below:

1. There is no longer a requirement for schools to issue low risk letters to contacts of a positive case in school.
2. There is no longer a requirement for low-risk contacts to test prior to returning to school.
3. There is no longer a requirement for staff to undertake routine, twice-weekly asymptomatic LFD testing
4. There are no restrictions on **supply staff, other professionals or visitors** in general entering schools. All visitors will, however, be expected to comply with the school's routine measures and arrangements for managing and minimising risk.
5. There are no restrictions on **parents, carers or wider family members** entering school buildings, although they will be expected to comply with the school's routine measures. There are therefore no restrictions on "in person" parent/carers evenings, parent/carers related events and meetings in school buildings.

Best wishes,

Mrs M Futamata
