Dear Parent/ Carer

It has come to my attention that there have been a couple of incidents between dogs at the end of the school day when pupils are exiting the nursery and primary school.

Can I please ask that if you are bringing a dog with you to collect your child, it should always be kept on a lead and under control. The behaviour of some dogs recently has caused alarm to several of our young people.

Thank you for your support and understanding with this matter.

Yours sincerely
